EDUCATION

K.C College of Engineering <i>Bachelors in Engineering (Information Technology)</i>	2022 – 2026 <i>C.G.P.A : 8.74</i>
V.G. Vaze College of Science, Commerce and Arts <i>11th and 12th Education</i>	2020 - 2021 <i>CET Score : 87.84 percentile</i>

TECHNICAL SKILLS

Languages: Python, JavaScript, SQL, PostgreSQL, Bash, Linux/Unix
Frameworks: Flask, FastAPI, SQLAlchemy ORM, ME
Developer Tools: Git, Canva, Render, VS Code, PyCharm, Figma
Libraries: pandas, NumPy, Matplotlib, GnuPG, PRAW

PROJECTS

Filelinker <i>Python, Flask, SQLAlchemyORM, PostgreSQL, Cloudinary, REST APIs</i>	Jan 2025 - Feb 2025
- Built a secure file-sharing platform, enabling transfers faster than opening a Google Drive link. - Optimized PostgreSQL queries with SQLAlchemy ORM, reducing database response times by 25%. - Integrated Gofile API for uploads and SpooAPI for URL shortening, improving accessibility.	
Openmedia <i>Flask, SQLAlchemyORM, HTML, CSS, Bootstrap</i>	Feb 2024 – April 2024
- Developed a media management app, supporting 10+ formats with seamless retrieval. - Optimized SQLAlchemy ORM queries, cutting database access times by 30%. - Implemented a responsive UI using Bootstrap for improved usability across devices.	
SmartSpend <i>ReactJS, Express, MongoDB, NodeJS, Axios, Figma</i>	Sept 2024 - Nov 2024
- Designed and prototyped UI in Figma for an intuitive user experience. - Built the backend with ExpressJS and MongoDB for structured data storage. - Implemented Axios for real-time updates with 99% uptime.	
Reddit Fetcher <i>FastAPI, PRAW, Python, dotenv, CORS</i>	March 2024 - Sept 2024
- Developed an API to fetch posts from subreddits based on multiple filters. - Integrated PRAW for efficient Reddit API interactions. - Implemented exception handling to prevent service disruptions.	
Diary <i>Python, GnuPG</i>	Feb 2024 – March 2024
- Developed a CLI-based encrypted diary with 100% security, using RSA-4096 and AES-256. - Created a Python module for encryption, reducing manual cryptographic operations by 70%. - Ensured data integrity with cryptographic best practices, zero known breaches.	

CERTIFICATIONS

JavaScript Essentials, Python Essentials <i>Cisco</i>	2023 - 2024 <i>JavaScript Essentials, Python Essentials</i>
Android Virtual Internship <i>EduSkills - Google</i>	Dec 2024 <i>Certificate Link</i>
Data Science Master Virtual Internship <i>EduSkills - Altair</i>	Sep 2024 <i>Certificate Link</i>
Networking Virtual Internship <i>EduSkills - Juniper</i>	Mar 2024 <i>Certificate Link</i>
CyberSecurity Virtual Internship <i>EduSkills - Palo Alto</i>	Nov 2023 <i>Certificate Link</i>
IOT Devices <i>Coursera - University of Illinois</i>	Feb 2025 <i>Certificate Link</i>

ACCOMPLISHMENTS

Academic Excellence

- Ranked 1st in Class with a 9.74 SGPI
- Consistently achieved a top 5 rank in academics every year.

Professional Memberships

- Charge D’Affaires at Vaze Model United Nations
- Organizing Committee Member at Vaze Intra Model United Nations
- Design Department Member at Vaze Youth Parliament
- Member of the Institution of Electronics and Telecommunication Engineers (IETE)

Competitive Achievements

- Represented the college delegation at 19th Aavishkar: Inter-Collegiate/Institute/Department Research Convention 2024-25
- Selected for demonstrating projects in the presence of NAAC College Accreditation Team
- Honourable Mention at K.P.B. Hinduja College MUN
- Verbal Mention at Vaze Intra MUN
